# Raccoon State Recreation Area

## August 2008-Activities Schedule

Property Manager – Mike Clingerman

Assistant Manager – Ryan Lemley

Interpreters- Sam Arthur

Candice Mark

These programs are designed to entertain folks of all ages.

All children under the age of 12 must be accompanied by an

\* All programs are estimated to be 45 minutes in length unless otherwise noted

**Animal Adaptations:** Talk- Come learn about some of the unique features that make each animal different.

**Bat Myths:** Talk – We want to share with you some of the common misconceptions about these amazing animals and set the record straight.

**Bird Bait:** Craft – Come make a cool pinecone birdfeeder to take home with you.

**Campfire Cooking:** Talk – Share an evening with a naturalist and learn different ways of cooking some of your favorite foods over the campfire.

**Creature Feature:** Talk – Come see what animal the naturalist has brought with them and learn about what makes it so special.

**Going Batty:** Talk – Learn how bats catch their food and play a familiar game with a new twist.

**The Green Menace:** Talk – Since the introduction of the Emerald Ash Borer to North America our ash trees have been in danger. Learn what you can do to help!

**Gyotaku:** Craft – Come learn the ancient art of fish printing. Bring a washed T-shirt with you or use the materials we provide.

**Habitat Hike:** Hike – Let’s take a walk in the forest and see what we can find. 1 hr

**Leaf it Up to the Trees:** Talk/Craft – Create some leaf rubbings and a journal to keep them in.

**Nature’s Nasty’s:** Talk – Come learn about some critters with bad reputations.

**Rainbow Hike:** Hike – We’ll be looking for the colors of the rainbow as we go on this hike.

**Roving Naturalist:** Keep your eyes open for the wandering naturalist and see what they have brought with them.

**Signs of Life:** Hike – We’ll be keeping our eyes and ears open on this hike to see what nature has to offer. 1 hr

**Snakes Alive:** Talk – Let’s take a look at those sneaky snakes and learn a little about how they function.

**Snake Bingo:** Activity – You know Bingo, now let’s play “Snake”.

**Story Time:** Talk – Come relax and hear some stories about nature.

**Tick Talk:** Talk – Come learn what makes these bloodsuckers tick.

**Turtle Time:** Talk – We’ve got some turtles we’d love to show and tell you about.

**Wild Fire 101:** Talk – Come and see first hand some of the tools and techniques wild land fire fighters use to contain the burning inferno’s.

**Wings over Raccoon:** Talk/Hike – This one’s for the birds! We’ll look at a few mounts we have then take a walk and see what’s on the wing.
